Representative Cyrus Western

Since inception, the Wyoming Legislative Sportsmen's Caucus has continued to work for benefit of conservation and Wyoming's sporting community by advocating for pro-sportsmen's policy in Cheyenne. The Caucus continues to maintain a collaborative relationship with the Wyoming Game and Fish Department and their sportsmen and women constituents by working on issues like public land access, and sportsmen recruitment, retention and reactivation. Before becoming an official member of NASC, Wyoming hosted the 2006 Annual NASC Executive Council meeting at the Mooncrest Ranch in Cody, Wyoming.
