- Annual spending by Washington sportsmen is seven times more than the cash receipts of the state's commercial seafood landings (\$1.4 billion vs. \$193 million).
- Washington sportsmen annually spend the same as the cash receipts from apples - the state's most valuable agricultural commodity (\$1.4 billion).
- Washington sportsmen annually spend \$156 million on outboard boats and engines to get out on the water and around the marshes for fishing and hunting.
- More Washington residents hunt and fish each year than attend Seattle Supersonics basketball games (764,000 vs. 654,000).

Lots of bang. Even more bucks.

The majority of all sportsmen consider themselves "likely voters" and 8 in 10 say that a candidate's position on sportsmen's issues is important in determining for whom they will vote.

If all hunters and anglers living in Washington voted in the 2004 presidential election, they would have equaled 33% of the entire vote.

1 out of 7 residents hunt or fish.
