

Growing in Christ

Parents, grandparents, and other adults play a key role in the faith development of the children they love. God intended from all eternity that family members reflect his love and care for one another in their relationships.

The larger family of God, the local church, also plays an important part in faith formation.

Thank you for entrusting part of your child's spiritual care to us! We are praying for you and for your child as we learn and serve together. If you see other ways we can help you, be sure to ask!
