

# SEA CREATURES?

Read the poem. How many of the creatures from the poem can you find in this picture?

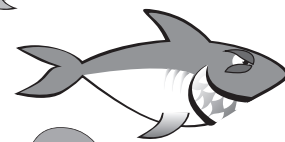

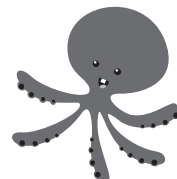

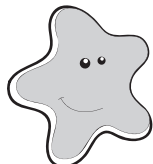

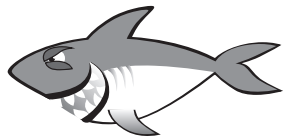

# DIVE INTO GOD'S WORD

Ten little fishes swimming in the sea,  
God made them and God made me!

Nine nurse sharks swimming in the sea,  
God made them and God made me!

Eight starfish swimming in the sea, God made them and God made me!

Seven little shrimps swimming in the sea,  
God made them and God made me!

Six octopi swimming in the sea,  
God made them and God made me!

Five blue whales swimming  
in the sea,  
God made them  
and God made me!

Four sea urchins swimming in the sea,  
God made them and God made me!

Three sea snakes swimming in the sea,  
God made them and God made me!

Two jellyfish swimming in the sea,  
God made them and God made me!

One scuba diver swimming in the sea,  
God made him and God made me!

What can you learn about God from studying his creation—  
especially his sea creatures?

What is even better evidence of what God is like?  
See John 3:16.
