## Adam and Eve

In the beginning God created the heaven and the earth. The Bible says the earth had no form and it was dark. God said, “Let there be light.” And there was light. God saw that the light was good. He separated it from the darkness and called the light “day” and the darkness “night.” And there was evening and there was morning, the first day.

God kept on creating. He separated the waters from the sky on the second day. And on the third day, he made plants and trees. On the fourth day, he made the sun, moon, and stars so that we would have seasons and days and years. He created birds and fish and other sea creatures on the fifth day. And on the sixth day, he made all the animals that live on the dry land. He also made human beings and put them in charge of the new creation.

God saw that everything he had made was very good, and on the seventh day he rested. The Bible tells us he blessed that day and made it holy.

But then sin came into the world. In the Garden of Eden, Satan came to Eve and tempted her. She gave in and ate the fruit God said not to eat. Adam ate some, too. They felt very bad for not obeying God, and they hid from him.

God found them in the beautiful garden. He sent them out of the garden because they had sinned, but he promised he would send a Savior.

Many years later, that Savior arrived. It was Jesus! He died on the cross so that everyone who believes in him can be saved. He rose from the dead so that everyone who believes in him will live with him forever!
