NEWSLETTER

Welcome to the First Official Diehl Automotive Newsletter

Over the past 30 years, Diehl Automotive has changed and grown in many ways. As our organization continues to evolve, we felt it was time to create a regular way to share updates, recognize accomplishments, and celebrate milestones across the group—so here we are. Moving forward, this newsletter will include team member highlights, performance updates, news from across our dealerships, and other information we believe matters to you.

First and foremost, thank you for your efforts over the past year. 2025 certainly had its ups and downs, but as an organization, we found ourselves back in the thick of the car business as we knew it before COVID. Through those changes, our team achieved record performance in several areas and continued to thrive. We were also excited to welcome Diehl Chevrolet of North Hills to the Diehl Automotive family in October.

Looking ahead, we are excited to already welcome the team from Arlington Auto Center, now Diehl Collision of South Hills. There are more exciting things to come, and we truly appreciate the role each of you plays in this organization's continued success.

This year, a major focus will be improving the team member experience. To support this, we will be launching anonymous surveys and strongly encourage honest feedback. Our goal is to turn that feedback into real, meaningful improvements where it matters most. More details on the surveys will be shared soon. In line with this focus, we are also excited to announce the introduction of a Deferred Compensation Plan for technicians.

Outside of the business, I'm proud to share that The Diehl Family and Friends Endowed Fund for Transportation at UPMC Children's of Pittsburgh is now more than 50% funded toward our \$1,000,000 pledge. Thank you to everyone who has supported this effort—it truly makes a difference.

As we reflect on more than 30 years behind us and look forward to the year ahead, let's commit to doing what my father always said best: **“Make Every Day Count.”**

- Corina and Matt Diehl

Diehl Automotive's story begins in the 1980s when Corina and Matt Diehl Sr. entered the automotive industry. Corina worked in sales and later co-founded MattCor Leasing with Matt, exporting nearly 100 vehicles a month, while Matt advanced in retail automotive. **Their shared drive laid the groundwork for what would become Diehl Automotive.**

By 1995, after the birth of their children Rachel and Matthew, the Diehl's partnered with Bob Preston to open Preston Automotive Group. The store grew quickly, earning Five-Star Chrysler status and helping shape the customer-first philosophy that would define the business.

In 2002, Matt and Corina Diehl purchased the dealership in Butler from Preston Auto group and Diehl Automotive was born.

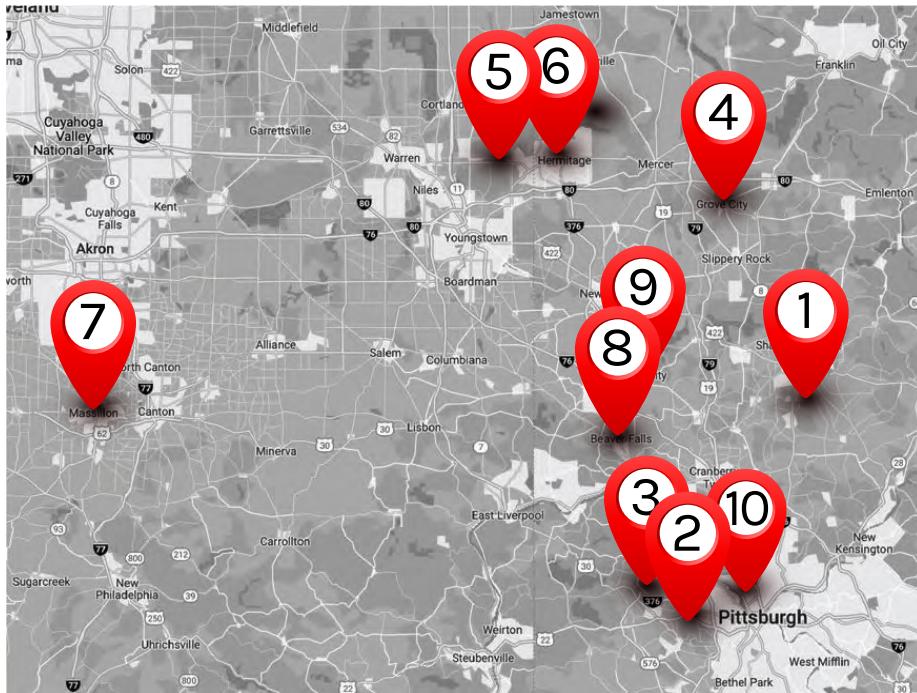

After Matt's unexpected passing, Corina became the sole owner, responsible for the dealership, its employees, and her family. She chose not to sell and instead used her experience to lead the company through an incredibly difficult transition.

Under her guidance, Diehl Automotive expanded into a multi-store organization with acquisitions in Robinson, Moon, Grove City, Hermitage, Sharon, Massillon, Beaver, Bellevue, and Ellwood City—plus 11 collision centers. These additions strengthened the group's presence across Western Pennsylvania and Ohio.

Today, Diehl Automotive is recognized as one of the fastest growing automobile dealership groups in the region.

- 2024 -

Acquired Diehl Collision of Pittsburgh.

Acquired Diehl Chevrolet of North Hills

DEALERSHIP SPOTLIGHT

DIEHL VOLKSWAGEN OF BUTLER

Since 2015, Diehl has been selling Volkswagens in Butler, but this summer marked a major milestone: the team opened their very own location across the street on Route 8. The new dealership features a sleek showroom, EV charging stations, and a top-tier service center, bringing a modern and high-class experience to customers.

2025 has already proven to be Volkswagen's best year for sales since Diehl's acquisition, and Sales Manager Corey Pytel, who has been with Diehl for 15 years, believes the new building has played a big part in that success.

"We're very excited to have our own place," Corey said. **"Customers seem more comfortable with the new location, and it's exciting to see Diehl grow and invest in the community. When we were with Toyota and CDJR, we didn't have a showroom, and customers sometimes had trouble figuring out where to go—now that's no longer an issue."**

Corey also credits the dealership's team for making a difference. "We definitely have a team that's excited to help," he added. "They're knowledgeable and skilled at guiding people through the selection of their new vehicle."

Volkswagen has a long history in Butler, dating back nearly 40 years with Mikan Motors. Through changes and growth over the decades, Diehl Volkswagen of Butler is taking that legacy to new heights—combining strong local demand, a modern facility, and a dedicated team to deliver the ultimate Volkswagen experience.

TEAM MEMBER SPOTLIGHT

JOE PANTONE

GENERAL MANAGER - HERMITAGE, PA

Joe Pantone is the General Manager of the Hermitage Campus at Diehl Auto Group. He joined the organization nearly five years ago, and his journey to finding a true home within the company has been both diverse and remarkable.

After graduating from high school in 1987, Joe enlisted in the U.S. Navy, completing technical and leadership training before being assigned to the Nuclear Submarine Base in Pearl Harbor, Hawaii. While stationed there, he attended the University of Hawaii during off-duty hours and earned a degree in Criminal Justice through their military program. After four years in Hawaii, he transferred to the USS George Washington (CVN 73), a nuclear-powered aircraft carrier, where he was part of the original commissioning crew and went on the ship's first six-month deployment to the Mediterranean Sea, visiting multiple foreign ports of call.

Joe's leadership career in the Navy progressed from law enforcement patrol officer to training officer, section leader, division-leading Petty Officer, and ultimately Command Chief Criminal Investigator. Surrounded by strong teams and guided by exceptional leaders, he learned that taking care of people is always the foundation of success. During the 50th Anniversary of D-Day in Normandy, France, President Bill Clinton and his cabinet visited the USS George Washington.

As Chief Investigator, Joe served as the direct liaison with the Secret Service and provided personal escort for the President while onboard. Inspired by this experience, he pursued a career as a Federal Agent. After an extensive background check, he was recruited to the Federal Academy, where he served as Class President. Following seven months of training, he was assigned to the White House, where he served with the Secret Service for two years.

Seeking to invest in his own future, Joe resigned from the Secret Service and purchased his first used car dealership in Sharon, Pennsylvania, later expanding to a second location in Sharpsville. At the same time, he opened a Suzuki Powersports franchise, taking it from the bottom of the district of 39 dealers to number one, maintaining a perfect CSI score of 100. He operated all three businesses for nearly 12 years before closing them due to the economic downturn. During his time as an owner, Joe served on the Pennsylvania Independent Auto Dealers Association Board in multiple leadership roles, including Director, Secretary, Vice President, President, and Chairman, and was also elected regional Vice President for the National Independent Dealers Association.

After selling his stores, Joe spent the next 12 years at a large independent used car dealership, holding positions from Finance Manager to General Manager.

In 2021, Joe sought an opportunity to join a franchised dealership where he could leverage his years of experience and leadership to mentor and build a driven team. He reached out to Corina Diehl on LinkedIn, and shortly afterward, her General Manager, Rich Grossman, connected with him. Joe joined the Grove City location as GSM, helping elevate the sales teams. Eleven months later, Corina and Matthew Diehl purchased the Hermitage locations, which was a natural fit, as the Shenango Valley had been the location of Joe's original dealerships.

With over 30 years in the automotive industry, Joe emphasizes the importance of working for a company that values its people, listens to their ideas, and demonstrates commitment through action. The Diehl Auto Group's engagement with the local community and Shenango Valley reflects these values, with the dealership consistently participating in major local events and school initiatives. Hermitage's footprint is significant, and the company is recognized as a leader both in the automotive industry and in the community.

Despite a shrinking dealership market, Joe sees continued growth under the Diehl Auto Group, with the owners expanding their brand and welcoming more people into the dealership family. After decades in the industry, Joe has found a home, a second family, and a bright future with the company.

TIDBITS & NEWS

HERMITAGE

COMMUNITY & FUNDRAISING

Kicked off Truck Full of Hope food drive benefiting the Mercer County Food Bank (running through December 12). Hosting a Strayhaven Animal Shelter food and item collection at Diehl Toyota of Hermitage. Proud main sponsor once again for the Light Up Display at Buhl Park. Toy drive drop-off location for Prince of Peace. The Team participated in the Hermitage Light Up Parade on November 22 with a Candyland-themed float. Best Toyota November ever with 50 new Toyotas sold. Kia Service continues strong month-over-month and year-over-year growth.

BUTLER

SALES & PERFORMANCE

Best Volkswagen sales month ever, beating the previous record by 12 vehicles. November sales exceeded last year's total new vehicle volume. CDJR led the district again with 54 units sold. Best new VW year ever with over 300 units sold, up nearly 10% YoY—despite VW being down nearly 20% YoY in the Northeast. Top-selling new CDJR dealer in the Pittsburgh North District for 2025.

COMMUNITY & FUNDRAISING

Showrooms serving again as Toys for Tots drop-off locations (new toys only). Donated \$5,000 to the Butler County Humane Society. Donated \$1,600 to the Penn Township Police Department for AEDs in patrol vehicles.

TEAM & PARTS

Nick Duncan has joined the Butler team as Parts Manager for the complex coming over from Diehl of Moon where he has spent the last 10 years in Parts management.

SHARON

COMMUNITY & SALES

Partnered with Hermitage as a Prince of Peace toy drive drop-off location. The store also achieved the best Ford sales month of all time with 32 new vehicles sold. Finished with the best Ford year ever, posting a 54% YoY sales increase, the largest increase in the zone!

TIDBIT:

ANOTHER DAY ANOTHER DIME

Bill Dwyer broke Diehl Collision of Cranberry's sales record by 18%! Congratulations, Bill!

TIDBITS & NEWS

NORTH HILLS

COMMUNITY & MOMENTUM

Top sponsor of Light Up Bellevue, including hosting 300 kids decorating ornaments in the showroom. North Hills Chevrolet is just over three months in and hitting its stride.

SUBARU MASSILLON

SALES, PARTS & TEAM

Welcomed Addie Morris (Sales Representative) and Elena Robinson (Marketing). Set a new November sales record with 74 vehicles sold, surpassing the previous record of 67.

BEAVER

PERFORMANCE & TEAM

Recorded a record month for the Ford store and currently holds the #1 spot in the market zone. Welcomed new sales consultants Ryan Brock and Zach Stephens. Finance Manager James Justi celebrated his daughter Evalena's 1st birthday.

MOON

PROMOTION

Bobby Williams promoted from Counterperson at Grove City to Parts Manager at Moon.

MCELWAIN CHEVROLET

MAJOR MILESTONES

Completed one full year under Diehl Management. Finished the year with over 1,000 new Chevrolet sales. Earned FIRST PLACE IN PENNSYLVANIA for Chevrolet Sales Effectiveness. Achieved the location's highest new-car sales volume in nearly a decade.

GROVE CITY

CADILLAC

Posted the best Cadillac sales volume ever with 85 total units sold, up 42% YoY.

Since 1892, the Ohio Agricultural Research and Development Center (OARDC) in Wooster has been shaping modern agriculture—developing disease-resistant crops, improving food safety, and influencing farming practices worldwide, not just in Ohio. In other words, a small Ohio city has quietly helped define how the world eats.

PLEASE WELCOME DIEHL COLLISION OF SOUTH HILLS TO THE DIEHL FAMILY!

THAT'S RIGHT, DIEHLIOS AND MCELWAINIANS! WE HAVE A BRAND NEW COLLISION CENTER! DIEHL COLLISION OF SOUTH HILLS REPRESENTS OUR ELEVENTH COLLISION CENTER! (ONE MORE AND WE WIN A SET OF STEAK KNIVES!)

FORMERLY ARLINGTON AUTO CENTER, DIEHL COLLISION OF SOUTH HILLS IS LOCATED AT 1424 BANKSVILLE ROAD, PITTSBURGH, PA 15216. THE BUILDING KIND OF LOOKS LIKE AN ENORMOUS BLOCK OF DELICIOUS CHEESE WITH WINDOWS, WHICH, IN MY WEIRD WORLD VIEW, IS ONE OF THE GREATEST THINGS EVER.

DIEHL COLLISION OF SOUTH HILLS WILL CONTINUE BRINGING THE KIND OF PROFESSIONAL CUSTOMER SERVICE AND INCREDIBLE BODY WORK EXPECTED FROM ONE OF THE BEST GROUP OF COLLISION CENTERS IN THE AREA!
CONGRATULATIONS, DIEHL COLLISION!

THE DIEHL FAMILY AND FRIENDS ENDOWED FUND FOR TRANSPORTATION

The Diehl Family and Friends Endowed Fund for Transportation is designed to remove transportation barriers by directly supporting families who need assistance traveling to and from medical appointments, with rideshare vouchers and reliable transportation.

The average round-trip cost for transportation to UPMC Children's is approximately \$55. This initiative directly alleviates the financial burden on families, ensuring they can prioritize health over costs.

A Mission Rooted in Family and Community

The Diehl family, deeply invested in both healthcare and automotive services, is committed not only to donating but also to actively raising funds to address this healthcare disparity.

Addressing Barriers to Health

Children cannot reach their health potential, excel in education, or thrive economically if their basic needs go unmet. Access to reliable transportation is one such essential need. For those without access to public transport or other options, the costs of getting to the hospital often place healthcare out of reach.

Through this endowment, the Diehl family aims to directly confront this obstacle and ensure that every child has the opportunity to receive the care they deserve.

A Personal Connection to the Cause

As parents of UPMC Children's patients, Katie and Matt Diehl understand firsthand how important access to medical care is for a child's well-being. As owners of an automotive dealership, they also know the role that reliable transportation plays in everyday life. Their personal experiences have driven their passion to create a fund that removes the transportation barrier and ensures that families can get their children to appointments without the added stress of how to get there.

Members of the Diehl team had a great time providing free parking to all visitors at UPMC Children's Hospital on December 8th!

SO FAR, DIEHL AUTOMOTIVE HAS RAISED \$580,406 TOWARDS THE \$1MILLION PLEDGE!
