

## Super Blade

### EXTEND YOUR CAPABILITIES

The all new commercial-grade Meyer Super Blade™ is bigger and stronger than any other adjustable plow on the market. At the press of a button, it expands from 8' to 10.5', or anywhere in between. And the flared wings extend as a pair or independently. Super Blade features Nite Saber® LED lights, Hands-Free Plowing (HFP), industry leading ground clearance, and much more. Your plowing capabilities are now limitless.

#### Quick Facts:

- Type: Full-Trip
- Vehicle: 3/4-ton pickups and larger
- Construction: Tubular steel A-frame
