## Biggest, Best, Healthiest Crop of Onions Ever!

*"I've bought onion plants from you for years. Year before last I bought some similar onions from a big box store instead - worst onion crop I've ever had. Last year I again bought from you and it was the best crop I've ever had. It took years to finally find the best planting method. Last year, despite record heat, I had the biggest, healthiest crop of onions ever. And in March, I still have onions that have kept all winter. Thank you!"*
