

SPECIFICATIONS

4 in 1 RGBW Square Ceiling Light - 32W, 24VDC

PRODUCT NAME	5" Square 4 in 1 Epistar RGBW LED Ceiling Light - 32W, 24VDC
SKU	LD-LG-5S-RGBW
PRODUCT URL	Click Here
DESCRIPTION	<p>Our 5 inch x 5 inch square shaped RGBW LED ceiling light is a new style of flush mount lighting fixture designed for common drywall and ceiling mount. The 4 in 1 Epistar RGBW chips allow for RGB color changing abilities combined with the single channel cool white (6000-6500k) light output. Using 255 levels of dimming over the 4 channels you can create billions of color variations as well as a pure white output. To install simply mount this fixture in any square drywall hole with a 4.53" x 4.53" dimension. Using 32W of power when all 4 channels are on full brightness this 24V product provides energy saving, bright, programmable lighting to set the mood for any occasion. Emits no UV or IR, RoHS and CE approved. For use only with compatible 24VDC Constant Voltage power supplies and 24VDC common anode 4 channel RGBW controllers.</p>
