CREE Outdoor RGB LED Spot Light - 12VDC 7W

PRODUCT NAME	CREE Outdoor RGB LED Spot Light, 60° - 12VDC 7W, IP67 SS316
URL	Click Here
SKU	OL-ON-S1-RGB
DESCRIPTION	<p>This color changing and dimmable IP67 outdoor rated LED Spot Light uses a heavy duty stainless steel housing to provide a durable and long lasting outdoor LED light fixture for any home or business. Interchangeable mounts allows for simple installation on various surfaces as well as in ground applications. The ability to display over 16 million colors, its small size, 60° beam angle and adjustable 0-90° mount makes this light perfect for landscape lighting, deck lighting, pathway lighting, accent lighting, stage sets, exhibits, or any other indoor or outdoor project. With a lifetime rating of 50,000 hours and low power consumption this fixture is sure to last and enhance the curb appeal of your property. Each fixture includes 9.5' of lead wire, two mounting screws with drywall anchors, and one Allen wrench for interchangeable mounts. This product is a color changing fixture and requires a controller (sold separately), CE and RoHS approved..</p>
