## Air Nozzle Assembly

### Extend the Life of your Gel Coat Spray Gun

Spraying gel coat can be one of the most challenging aspects of composite work. Make sure your Gel Coat Cup Gun continues to work properly for the best possible results, and replace the parts that will begin to naturally wear after multiple uses. Each is sold individually for your convenience.

- Used with the Gelcoat Cup Gun, Part # 0690120-A, contains “O” ring for air nozzle, Part # 0691828-A Attach 1/2" Vacuum Tubing (#893) to barbed fitting on third port for a leak-free air connection.
- Brass air nozzle
