Certification and Inquiry Authorization

All statements made herein are true and accurate to the best of our knowledge. We authorize Fibre Glast Developments Corporation LLC (FGDC) to review the information contained on this application and authorize Bank and Trade references to release any requested information for the purpose of granting credit. We authorize FGDC to make any and all inquiries necessary for action on this credit application. We additionally indemnify FGDC, and its agents, from any liability resulting from their credit survey. Should this account upon default be collected by or through a collection agency/attorney, we agree to pay collection/attorney fees in addition to the principal indebtedness including interest computed at a rate of 1.5% per month (18% per year).
