

QUALITY & COMMITMENT

Founded in 2015, the Form-A-Tread Company, a division of RGF Materials Company (LLC), is certified by the US Small Business Administration as a VOSB (Veteran Owned Small Business) and has years of experience providing high-value formulated products and solutions to a wide variety of professional and consumer markets.

With our expertise in adhesives, coatings, and their applications, we are committed to providing quality products for lasting solutions that reduce injuries due to slips, trips and falls.

Our innovative formulations have eclipsed the life expectancy of other retrofit solutions by years, eradicating the need for constant, costly upkeep – or even replacement.

Form-A-Tread provides a long-term solution.

We work with facility staff, building owners and operators, maintenance personnel, and EHS professionals in all kinds of buildings at all kinds of sites across every type of business. Plants, universities, entertainment venues, parks, commercial and government properties have all turned to Form-A-Tread to improve their site's safety.
