# Our MISSION CRITICAL<sup>®</sup> Warranty

Means superior network protection for you.

Warranty and System Performance Guarantee Program

Starts with Hubbell Premise Wiring connecting hardware

1. We provide cable from Hubbell or a Hubbell cable partner
2. We install a structured cabling system
3. Tel-One is a Hubbell Certified Installer

That's all it takes and you're protected. That's how simple it is, guaranteed!

The Hubbell MISSION CRITICAL<sup>®</sup> program gives you an assurance of system success with a 25-year guarantee on the components, performance, and installation integrity of your structured cabling system.
