# My eSpark Video Checklist (3-5)

## Evaluate the question

I made sure I understood the question eSpark asked me.

## Script it out:

I wrote a script that answered the question eSpark asked.

## Practice, practice practice!

I practiced my script in my head or out loud with a partner.

## All eyes on me!

I found a quiet space to record, where my teacher wouldn't be distracted by other kids or noises in the background.

## Ready to record!

I recorded my video. I spoke loudly and clearly.

## Know your best.

Before I submitted my video, I rewatched it and asked, "Is this my best work?"
