

How to Activate a Tablet

Article Summary: How to Activate a Tablet

Revised Date: 1/2/2018

1. Log into the www.mynavistream.com web portal with an account that has Administrator privileges.

A screenshot of the navistream web portal's sign-in page. The page has a dark orange header with the "navistream" logo in white. Below the header is a white sign-in form with a "Sign in" label. It contains two input fields: "Email" and "Password". At the bottom of the form are two buttons: a blue "Sign in with Google" button with the Google logo and a green "Sign in" button with a right-pointing arrow.

2. Click on "Management and Settings"

3. Click on "Devices"

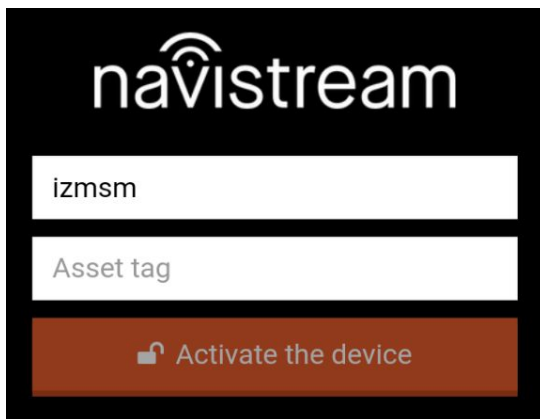

How to Activate a Tablet

4. Click on “New Activation Code”

 No Activation Codes found

New Activation Codes 

5. Enter the generated code on the Navisteam vehicle client activation screen

6. Enter the STTI-#### asset tag number (found on the back of the tablet) into the activation screen as well
