Return the completed form to Lancaster University Students Union

Any of your players with medical exemptions must be marked as M.E. has with them a verified Medical Exemption form, which has been validated by LUSU.

Indicate in the column any players from the other team that require further verification, i.e. did not have ID, not verified by, and considered to be a higher tiered team player and without medical exemption, note the nature of the query and present to LUSU for processing.

You must complete all details and return this copy or the one given to you by the opposition Captain to LUSU.
