

## Special Edition

### CTL · Updates

**Development Preview for the Year** Tues at 2pm (Krober)- Learn about the University's plan for providing opportunities throughout the year and your chance to be a presenter!

Review the [Employee Development Week Schedule](#) for all session details!

As always, we look for your feedback to help us improve and meet or exceed your expectations with every development opportunity! Please take time to fill out a survey for each session and one for the whole week\*.

Each completed feedback survey earns you a bonus ticket entry to the prize drawing. You simply need to show (or email) the completion screen to one of us!

*\*We won't accept the week-long survey until Thursday.*

### D2L · Updates

We're providing some opportunities for you to ask questions and learn about changes made over the summer at these sessions.

#### **Instructional Tech Open Labs**

Mon at 4pm & Wed at 3:30pm (Dietzman 102)-A time to get some technical to-dos off your list while we're there to answer questions as needed.

#### **D2L Updates** Tues at 1pm

(Dietzman 102)- Have you logged in? Many things look different, but it's still D2L!

#### **D2L Semester Requirements** Wed

at 10:30am (Dietzman 102)- Syllabus, Attendance, & Grades: What you need to know and do.
