

CTL · Updates

If you're concerned about your gradebook or student grades, ask us now! Don't wait until December 19! Please remember to keep posting student grades *between* now and finals, and be ready to submit final grades to Records on time.

You'll receive an email with instructions from Michelle or the Records office, as always, before they're due.

D2L · Updates

- Additional Exemption options for Content that will allow for better organization of materials for students as you differentiate within your courses. [Solutions Article for Topic Exemptions](#)
- D2L developers are working to improve the My Courses Widget based on feedback. Through December, January, and February, they intend to continue making significant improvement regarding pinning and the information available in the widget. As that work progresses, we'll share it here.
