

Family Administrator Quick Guide

www.angeleyecameras.com

Adding Family Members

- To add a family member, navigate to the **My Family Members** tab and click the green **Add New Family Member** button.
- To edit a family member's information, click the orange **Edit** button beside their name.

Viewing Your Camera(s)

- To view your assigned camera(s), go to the **My Cameras** tab.
- If you only have one child enrolled in Angel Eye, you will be taken directly to the **Camera Viewing Page** after logging in.
- If you have more than one child enrolled, you will be taken to the **Camera Overview** page that provides a snapshot of each baby. To view the baby's video stream, click on their snapshot
- Family and Provider chats are located below the video stream.
- Only Mom (Primary Account) has the ability to send audio messages to the baby.

Password Help

- If you forget your password, go to the log-in page and click on the link that says "**Forgot Your Password?**" You will be prompted to enter your email address, and the system will send you an email with a temporary log-in password.

Tech Support

- This tab will take you to the tech support web page. Go here if you have further questions.
- For immediate help, call (855) 456-6805 or email support@angeleyecameras.com
