

Super User Quick Guide

www.angeleyecameras.com

Family Sign Up

- To add a new family member, navigate to the **Family Accounts** tab and click the green **Add New Family** button.
- Fill out the form and click **Submit**.
- On the next page, click the **Add New Patient** button. You must add the patient's name (or alias). Choose the correct camera from the drop-down bar and click **Save**.

Viewing and Managing Cameras

- To view a camera, go to the tab **Cameras** tab and click the **View Camera** button beside the camera that you wish to view.
- To chat with the primary family member of the baby, go to the **Provider Chat** box located below the video stream.
- To discharge a family, go to the **Family Accounts** tab and click the **Discharge from Angel Eye** button

Tech Support

- The **Tech Support** tab will take you to the tech support web page if you have any further questions.
- For immediate help, call (855) 456-6805 or email support@angeleyecameras.com
