

## Release 51 – Release Notes

Release Published 15<sup>th</sup> Aug. 2017

Organisation Portal – <https://org.tikforce.com>

**New Feature:** The Main Menu in the Organisation Portal will only display links associated with the user's role in the system. This functionality will be further expanded to other areas of the TikForce Platform.

**Enhancement:** Back links throughout the Organisation Portal have been improved to have better movement between pages.

**Enhancement:** Updates to the user interface have been completed for displaying user roles and statuses in the Organisation Portal.

**Enhancement:** A new Position Details screen has been released. It is now similar to the Worker Details page. This enhancement can be accessed at:

Main Menu > Positions > Manage Positions > View Details

**Enhancement:** The Search Results page in the Organisation Portal was updated.

**Bug Fix:** An issue with the 'Other' reason for doing a police check not displaying in the generated PDF or in the admin details view of the police check was fixed.

Tikforce Positions- <https://app.Workready.jobs>

**Bug Fix:** An issue with the NPC streamlined police check email and SMS confirmation tokens causing an error was fixed.

Tik.me Portal- <https://app.tik.me>

**New Feature:** Storage of telephone numbers has been revised. Each user has a Primary Contact Number which is used for all telephone communication. A user can add additional numbers with a type of work, direct work, home, mobile, facsimile, or other (although these are not yet used in the system).

Verification Portal - <https://verify.tikforce.com>

No Changes

MTM ID Site - <https://id.tik.me>

No changes
