- **Course Level 24**

  - **Dual Credit**

  - **A college-level, college credit bearing course in which a student *receives both high school and college credit* upon successful completion.**

  - **BUT...**

EOY – College Credit and Dual Enrollment

- **Course Level 24**
  - **…You will have students in the same class where SOME will end up getting College Credit and SOME will NOT.**
  - **We know, you dealt with this last year**

EOY – College Credit and Dual Enrollment

- **Course Level 24**

  - **…You will have students in the same class where SOME will end up getting College Credit and SOME will NOT.**

  - **We know, you dealt with this last year**

  - **We have a better solution this year…**

EOY – College Credit and Dual Enrollment

- **Course Level 24**

  - **New CRS Field: *College Credit State Course Code***

  - **Only populated on Course Level 24 records**

  - **Will have values limited to College Credit and CTE**

EOY – College Credit and Dual Enrollment

- **Course Level 24**

  - **Key HIS Field: *College Credit Hours* (HIS.CH)**

  - **When populated, the course and section will be virtualized for the CALPADS Extract**

  - **When populated, code 24 will be extracted and the *College Credit State Course Code will be extracted***

  - **When not populated, the regular course will not have code 24 extracted**

CDE Updates

- **Brandi ?**

Other Aeries Items

- **PFT – Results – Does Aeries have a way to determine Healthy Fitness Zone**

- **Aeries Data Validation System**

Round Table Items

- **CALPADS positions (responsibilities, size of district) and amount of people working on CALPADS at your districts**

- **Has CRDC extract been revised to be more user friendly and use logic to give us accurate reports as it did when we used CS**

- **Preschool SPED students who are waiting to be assessed and need an SSID for SEIS but the final outcome is that they did not qualify- What enrollment status do other districts use; No Show isn't a true reflection of enrollment?**

Round Table Items

- **2020-2021 our district will be having all SPED students (for inclusion purposes) assigned to Gen Ed classroom with ""Learning Centers"" with Special Day Class teachers. How do other districts use Master Schedule for Elementary...is Elementary MS with one period or do you suggest more than one period?**

- **Anything/Everything. I'm new to CALPADS to any help about how best to manage it all would be helpful**
