

SPRING 2021

AERIES CON

VIRTUAL SUMMIT

565 – What's New in Aeries – Overview

Camden Iliff

VP of Product Development

Kevin Praeger

Core Product Manager

Introduction

This session is an overview of the major changes to Aeries since the last conference.

This session will highlight key points and give background on each significant new feature.

The goal of this session is to inform attendees about new features they might not know about and to encourage them to use these new features.
