

To Whom It May Concern:

This letter is being provided as written parent/guardian consent for my student, _____, to transfer the following courses from Florida Virtual School (FLVS) to MyDistrict Virtual School (MDVS):

Course Name	Course Segment

By requesting this transfer, I understand and agree to the following statements:

My student should stop working in the FLVS course(s) immediately upon the transfer request being sent.

Any work that is submitted after this request is submitted will not transfer to MDVS.

I understand that MDVS may not accept progress for a course(s) with a failing grade and that my student may have to begin the course(s) again.

I understand that the transfer of the gradebook from FLVS to MDVS could take up to two weeks since the new instructor will have to enter the grades in by hand.

I understand that MDVS will assign and place my student's course(s) with a new instructor(s).
