» Navision 5.0.x

- » Must install matching C/Front version if using Jet Reports 5.x. This is not required if using Jet 7.0.5 or later.
- » works with Jet Reports 5.3.1 or later (Jet Reports 7.0.5 recommended)

» Navision 4.0.3.24080

- » All 4.0 versions 23099 and later (including 4.0 SP3) should use [C/Front 4.0.3.24080](#).
- » works with Jet Reports 5.3.1 or later

» Navision 4.0.2.23099 or later

- » All 4.0 versions 23099 and later (including 4.0 SP3) should use [C/Front 4.0.3.24080](#).
- » works with Jet Reports 5.3.1 or later

» Navision 4.0.2.22100

- » C/Front 4.0.2.22100 does not work. Install C/Front 4.0.1.21666 and copy patched [C/Front 4.0.2.22100](#) files into C/Front installation directory.
- » works with Jet Reports 4.0.7 or later

» Navision 4.0.1.21666

- » requires that the build of C/Front match the client (fin.exe)
- » works with Jet Reports 4.0.7 or later

» Navision 4.0.0.21544

- » Microsoft does not provide a matching version of C/Front for this version. You can download our version of [C/Front 4.0.0.21544](#).
- » works with Jet Reports 4.0.7 or later

» **Navision 4.0.0.20942**

- » Navision 4.0 Update 1 was not accompanied by an installer. Install C/Front 4.0.0.19365 and copy 4.0.0.20942 C/Front files into C/Front installation directory. You can download [C/Front 4.0.0.20942](#).
- » works with Jet Reports 4.0.7 or later

» **Navision 4.0.0.19365**

- » requires that the build of C/Front match the client (fin.exe)
- » works with Jet Reports 4.0.7 or later

» **Navision 3.70**

- » requires that the build of C/Front match the Client (fin.exe)
- » works with Jet Reports 3.6.1 or later

» **Navision 3.60**

- » requires that the build of C/Front match the Client (fin.exe)
- » works with Jet Reports 3.x or later

» **Navision 3.10**

- » requires that the build of C/Front match the Client (fin.exe)
- » works with Jet Reports 3.x or later

» **Navision 3.01**

- » Requires that the build of C/Front match the Client (fin.exe)
- » Works with Jet Reports 3.x or later

» **Navision 2.6x**

- » Requires C/Front 2.60E
- » Works with Jet ReportsÂ 3.x or later
- » All versions of C/Front prior to 2.60E do not work with with Jet Reports
