

Click on the link **My Account**

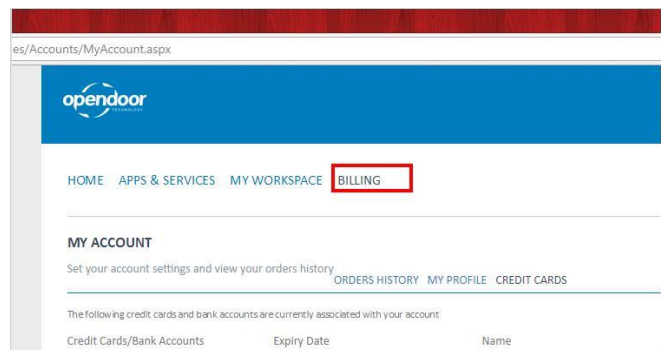

From this link you can register and manage your credit card for invoice payments.

Click on **Credit Cards**

Please note that there are strict credit card policies in affect meaning your address must match your credit card billing address on file with your credit card processor. For example you will not be able to use Visa Gift Cards if the address does not match what is registered for the card.

From the Billin menu you can review your current and past invoice details and to pay our current invoice if applicable.

For example i select my outstanding invoice to pay.
