

URL-Aufruf über Goolge Chrome:

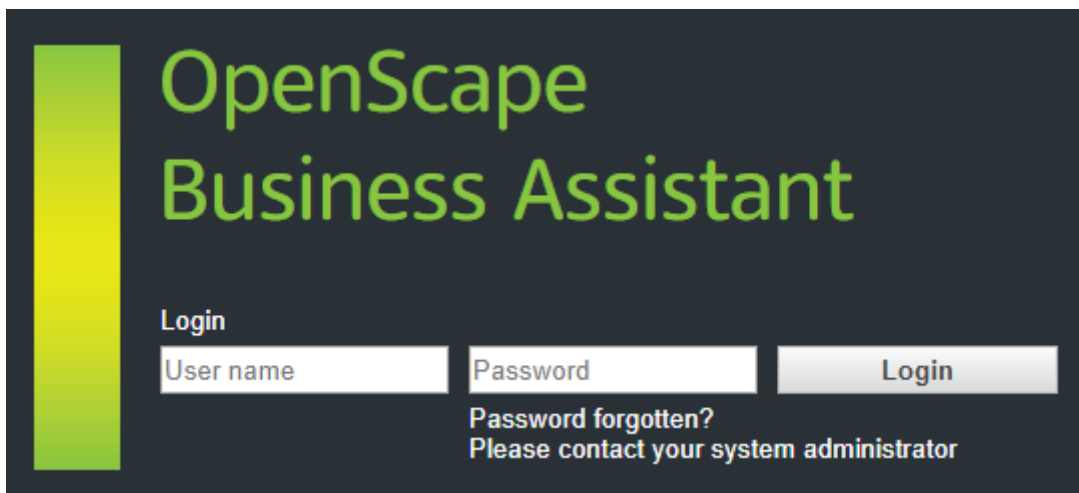

<https://192.168.0.11/management/admin/jsp/SiteMain.jsp>

The screenshot shows a login page for 'OpenScape Business Assistant'. The title is in large green font. Below it, the word 'Login' is written. There are two input fields: 'Benutzername' and 'Passwort'. To the right of these fields is a 'Login' button. Below the input fields, there is a link 'Passwort vergessen?' and a note 'Bitte wenden Sie sich an den Systemadministrator'.

URL-Aufruf im Royal TS:

<https://192.168.0.11/management/admin/jsp/SiteMain.jsp>

The screenshot shows the same login page for 'OpenScape Business Assistant'. The title is in large green font. Below it, the word 'Login' is written. There are two input fields: 'User name' and 'Password'. To the right of these fields is a 'Login' button. Below the input fields, there is a link 'Password forgotten?' and a note 'Please contact your system administrator'.
