Conclusion:

Based on a review of the test report(s) detailed above, this apparatus meets the requirements of above standards. The product is in conformity with the essential requirements of Article 3.1 (a) the protection of the health and 3.1(b), 3.2 of R&TTE Directive 1999/5/EC or RED 2014/53/EU

Note 1:

Note 1: Since currently official Journal (OJ) is not available to provide harmonized standards for the product under the RED, alternatively, harmonized standards as published in the currently valid OJ under R&TTE Directive and/or other non-harmonized standards are applied as above. The device would need additional evaluation in case standards applied as above were to be conflicting with those published in the future RED OJ.

The new LVD (2014/35/EU) & EMCD (2014/30/EU) apply to products that have so far been covered by the R&TTE Directive 1999/5/EC.

The CE mark as shown below can be used, under the responsibility of the manufacturer, after completion of an EU Declaration of Conformity and compliance with all relevant EU Directives.
