

# School Attendance Register Codes

Changes to the codes commencing 2015

## Changes from 2015

The Minister for Education has approved changes to the use of the Attendance Register codes for 2015.

The changes implement the *ACARA National Standards for Student Attendance Data Reporting*. ACARA developed the National Standards to establish nationally consistent parameters for the collection and reporting of student attendance data.

## Holidays

As part of the implementation of the National Standards, holidays taken by students outside of school vacation periods will now be included as absences. **A Certificate of Exemption can no longer be granted for this purpose.**

Families are encouraged to holiday or travel during school vacations. If travel outside of school vacation periods is necessary, the following considerations apply:

- If the principal **accepts** the reason for the absence, the absence will be marked as “L” and a Certificate of Extended Leave – Holiday issued.
- If the principal does not believe the absence is in the student’s best interests and does not accept the reason, the absence will be recorded as “A”. A Certificate of Extended Leave – Holiday **will not** be issued.

- If the period of absence is in excess of 50 days, the student may be eligible to enrol in Distance Education. See [Distance Education - Revised Enrolment Procedures 2014](#)

For that period the student’s enrolment transfers to the distance education school.

## Leave

The revised use of the “L” code relating to holidays means the 15 day limit on its use has been removed.

## Other codes

The recent changes to the Attendance Register Codes include the redefinition of some codes:

- The “F” code is no longer used only for senior students participating in a flexible timetable. The code will now also be used for students participating in HSC Pathways Programs, Best Start Assessments, trial or HSC exams or VET courses.
- The “B” code includes student exchange and allows for some additional flexibility around its use.

- The “H” code is used when a student is enrolled in a school and is required or approved to attend an alternative educational setting on a sessional or full time basis.

## Accepting explanations

- The “A” code is to be used if no explanation has been provided by parents within seven days of the occurrence of an absence or the explanation is not accepted by the Principal. It is at the principal’s discretion to accept the explanation provided.
- If a student’s absence is due to sickness the “S” code is used. The principal may request a medical certificate in addition to an explanation if the explanation provided is doubted or the student has a history of unsatisfactory attendance.

## Recording the duration of an absence or variation in attendance

In addition to recording the reason for an absence or the reason for a variation in attendance, the duration of the absence or variation must be recorded.

### Manual Attendance Registers

Department of Education and Communities schools that maintain manual attendance registers and do not use electronic means for maintaining student attendance must use the following symbols with the appropriate attendance register code for recording the reason for absence or a variation in attendance:

- a** - The student was absent on that day.
- Pa** - The student was late or was absent for part of a day. The time of arrival or departure must be recorded.

**Note:** The symbol X is to be used for the first and last day that the student attended for each term.

### Electronic Attendance Registers<sup>2</sup>

For Department of Education and Communities schools using electronic means for maintaining student attendance (OASIS, ebs4 or compliant third party systems), when recording a partial absence, the precise time of arrival and/or departure must be documented.

When information is transferred to OASIS from other compliant electronic systems, or from manual attendance registers, whole day absence (a) will be shown as W and partial absence (Pa) will be shown as P.

<sup>2</sup> Note: This only applies to Department of Education and Communities Schools.
