What is Morrisby Pay?

If you are asking parents or guardians to contribute towards the cost of their child's Morrisby online assessment, we can now collect payments on your behalf.

Easy to use and simple to administer, parents follow a 3-step process to pay us direct. Our payment system is fully secure and we can accept all major debit & credit cards, including Visa, Mastercard & American Express.

The screenshot shows the Morrisby Pay checkout interface. At the top, there are navigation links: Login, Sign Up, Forgotten Login, and Morrisby Pay. The main heading is 'Checkout' with a link to 'Go back to purchase details'. Below this, there are two sections: 'Your details:' and 'Your child's details:'. The 'Your details:' section includes fields for Name (Example Parent), Phone number (123456), and Email (example@parent.com). The 'Your child's details:' section includes fields for Name (Example Student) and Date of Birth (10 June 2003). Below these sections, there is a 'School' field (Morrisby Trials), a 'Total price' field (£30.00), and a 'Payment Methods Accepted:' section showing logos for VISA, Mastercard, and American Express. At the bottom, there is a 'Pay' button and a small disclaimer: 'Clicking pay will take you to Stripe an external, secure payment system, trusted by millions of online users.'

What is involved?

Setting up a session could not be easier. All you must do is decide when your students are going to sit their assessment and set a deadline for payments. Once you have logged this information

into our system, we will give you everything you need to send out to parents, including email templates and an information sheet.

You can monitor activity from the Manager site and see how many payments have been made.
