F.A.S.T. START DETAILS

If you have a prospect who you know wants to build a business, enroll them as a Brand Partner so they can start going F.A.S.T. with the most success.

Here are a few details to help clarify the difference:

- The F.A.S.T. Start Clock starts ticking the minute a Customer UP-GRADDES to a Brand Partner.
- When a Customer Upgrades and becomes a Brand Partner, that is their official “Day 0” of F.A.S.T. Start - Consultant, Director, Executive and Diamond. NOT the day they first ordered as a Customer or signed up as a Customer.
- When a Customer makes a purchase BEFORE they upgrade to a Brand Partner, that purchase does NOT count towards their F.A.S.T. Start volume qualifications.
- What counts: Enroller Tree volume from new Customers and newly enrolled Brand Partners after the clock starts.
- Volume Reset: Every month, the Volume resets and the Brand Partner must meet the Volume requirements to qualify for the F.A.S.T. Bonus.
- F.A.S.T. Start is part of the Purium Compensation plan and available for U.S./Canada Purium Brand Partners only (“GO FAST” Bonuses are part of the PHE Compensation Plan and available for Platinum Health Europe Distributors only).
- Must have an ACTIVE Smart Order on file to earn F.A.S.T. Bonus.
