

What is preventive care?

Establishes healthy-pet baseline information

Prevents disease and illness through annual veterinary checkups

Identifies early changes through exams and routine screening

Allows for treatment early, leading to healthier, happier pets!

Petly[™] Plans

Annual preventive care includes:

- ✓ Regular **checkups** with your vet.
- ✓ Necessary **vaccinations**.
- ✓ Intestinal **parasite screens**.
- ✓ Recommended **blood and urine screens**.
- ✓ Dental **cleanings**.
- ✓ Other **recommended services**.

Petly™ Plans

Preventive care for young pets

Comprehensive examination

Review internal and external exam markers for signs of issues.

Spay/Neuter

Reduce the risk of health problems and prevent overpopulation.

Vaccination series

Protect against serious diseases like distemper and rabies.

Blood screening

Establish a baseline to allow for early detection of potential health threats in the future.

Preventive care for adult and senior pets

Comprehensive examination

Ensure small changes are caught earlier with a thorough nose-to-tail exam.

Blood screening

Allow your vet to give your pet's organs a checkup and get ahead of health issues.

Core vaccinations

Protect against serious diseases like distemper and rabies.

Dental cleaning

Prevent bad breath and keep your pet's teeth strong and healthy.

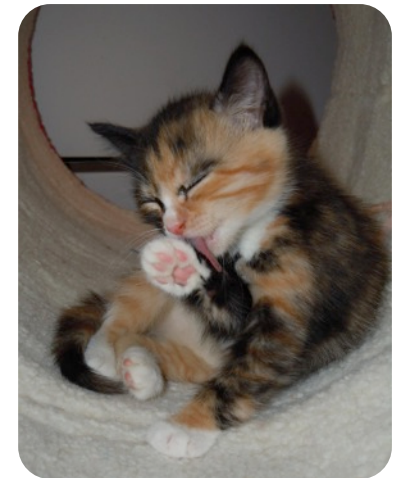

Petly™ Plans

What are Petly™ Plans?

Affordable monthly payment plans
for your pet's preventive care services

- ✓ Easy to budget
- ✓ Your pet's needs spelled out in black and white
- ✓ Healthier, happier pets!

Petly™ Plans

Change your plan at any time

You can change or cancel your plan at any time.

You are responsible for paying only for the services used, minus what you've already paid that term.

Petly™ Plans

Preventive care plans vs. pet insurance

Preventive care plans

Help you manage the cost of necessary regular care for your pet

Pet insurance

Helps offset costs of catastrophic events, like unexpected accidents or illnesses

Petly[™] Plans

Are Petly Plans right for me?

Will you **visit the veterinarian** one or more times a year?

Do you want your pet to be current with **vaccinations**?

Do you see any signs of gum disease or other **dental issues**?
(8 in 10 dogs and 7 in 10 cats older than 3 years old have dental disease.*)

Does your pet's breed or genetic history suggest that you should watch for **specific health concerns**?

If you answered Yes to any of these questions, then ask the practice staff to review a Petly Plans brochure with you today!
