Decorate a cute carrier, cape and collar

To keep your dog and accessories looking great, work with clean hands on a clean work surface.

Decide how you want to decorate the purse, cape and collar. You will have plenty of shapes to work with so decorate them however you like. Just peel and press them into place. If you need some ideas, see the box for examples.

When you are finished with the felt, add the self-adhesive rhinestones to create sparkling accents.

If you want to decorate the collar too, save a few of the smallest felt shapes and rhinestones.

WARNING:
CHOKING HAZARD - Small parts.
Not for Children under 3 years.

Designer dog tag

Think up the perfect name for your pet. Write it on the dog bone charm that is attached to your pretty puppy purse.

Decorating your doggie

To add the silver heart charm, twist the jump ring open and then place it over the velvet collar. Twist it to close the gap. If needed you can add a dot of craft glue over the gap to seal it closed.

You can decorate the collar with some of the small felt shapes and rhinestones. Add the two pink bows to the doggie's ears (see the box for an example).

Doggie leash - Your doggie comes with a beautiful ribbon leash. Slide the end over the collar when you want to take your doggie for a walk.

Ready to go! Tie on your puppy's cape, put her in the designer carrier and you are ready to go. When you are not using the accessories, you can store them in the designer doggie bag.

Note: If your dog or accessories should become dirty, spot clean with a damp cloth. Machine washing is not recommended.

Recycle Creatively

Try this! Use the package your doggie came in as a second home or crate for your doggie. When she is not traveling with you, the air holes on the top will help keep her comfortable when she is in her box!
