POM POM RUG

Completing your rug will take a little time and patience. With two pom pom tools included, you can ask a friend or a family member to craft with you.

Making the Pom Poms

- Cut a piece of teal floss 8 inches / 20 cm long following the cutting guide printed inside these instructions.
- Lay the floss over the base of the tool as shown **(A)**.
- Select your yarn. Wrap it around the pom pom maker 12 times as shown **(B)**. **Don't wrap too tightly.** Cut the yarn away from the skein.
- Tie the center of the yarn with the floss as shown **(C)**.
- Flip the pom pom maker over. Bring the floss around and tie a double knot **(D)**.
- Cut the ends of the loops on both sides to release the pom pom **(E)**. **Do not cut the teal floss "tails", you will need these to attach the pom pom to your rug base.**
- Take the pom pom off and set aside.
