Cleveland, Ohio 44125 • www.fabercastell.com
Made in China • All contents conform to ASTM D-4236
Non-toxic Safe for children

We would like to offer a special thanks to our monster truck expert, Zackary Ryan.
Thanks for all your help, Zack!

⚠ WARNING:
CHOKING HAZARD - Small parts.
Not for Children under 3 years.

Ages 5 to 95

Important Information **About the Paint**

- The paint included is a specially formulated non-toxic, acrylic paint that dries permanently on most surfaces, so be careful!
- Cover your work surface with newspaper. Have a cup of water and paper towels handy.
- Wear a smock or old clothes. This acrylic paint can stain. Clean up any spills immediately with soap and water.
- Paint can settle and separate over time. Mix each color thoroughly before you begin painting. If the paint seems too thick, stir in a drop or two of water.
- Before changing colors, rinse and dry your brush thoroughly.
- If you have any leftover paint, save it for touch-up.

Customize

1. Your kit includes both stickers and paint. Before you begin, decide how you want to design your trucks. You can paint them to look like your favorite monster trucks, or make up your own custom designs. If you don't want to paint them, just add the cool stickers.
2. To make dots or super small designs you can use the handle of your paintbrush.
3. Wait until the paint has completely dried before adding your stickers.
4. For best results, paint the body of your trucks only. Painting the wheels is not recommended.

Get Rolling

When you have finished customizing your trucks, why not set up ramps and other cars and create your own Monster Jam?

Now you are ready to roll. Just rev up the monster truck several times on the floor to get the wheels going. Quickly release the truck and watch it race, roll & flip.
