SWEATER ORNAMENTS

DECORATE 3 MINI SWEATERS WITH FELT, RHINESTONES,
BELLS, AND OTHER FUN ACCENTS. DISPLAY THEM ON YOUR
TREE WITH THE MINI ORNAMENT HOOKS INCLUDED.

GETTING STARTED

You will need a pair of scissors

Plan out your designs before you begin. If you need ideas, refer to the box for inspiration. If you are crafting with others, divide up the supplies first.

For best results, work with clean hands on a clean work surface. Use a damp paper towel to remove any excess glue as needed.

Pro-Tip: Red, Green or White?
Decide which components will
show up best on your sweaters.

DECORATE

- Lay out your sweaters.
- Start with the self-adhesive shapes. Carefully position them on the sweaters and press them into place.

Pro-Tip: If you make a mistake,
remove the felt. Add a little glue to
the back of the felt and re-position.

**Creativity
for Kids**
#1 Family Favorite

- Measure the gold and red trim against your sweaters and cut to desired lengths. Add a thick line of glue and lay the trim in place.

- Use small dots of glue to add the bow, jingle bells, pompoms and snowflakes.

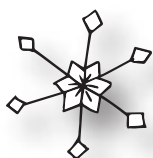

- Finish off your snowman with the wiggly eyes.

- Add a final touch of bling to your sweaters with the self-adhesive rhinestones. Set your sweater ornaments aside to dry. Dry times may vary.

When the glue is completely dry, gently insert the hanger into the neck of the sweater. Your ornaments are now complete and ready to hang on your tree! You can also wrap them up and give them as a gift to someone special.

As with any handcrafted item, avoid getting your ornaments wet and treat them with care. Save the glue for any touch up and repairs.
