

Welcome to your INscribe Digital dashboard, a unique client portal on [www.dashboard.inscribedigital.com](http://www.dashboard.inscribedigital.com) where you can:

- View big picture and title level details
- Create and export daily eBook sales data
- Download monthly statements

### Daily eBook Sales

View and download recent unverified sales data from retailers. Data is posted daily if retailers make it available.

### Statements

Generate and export verified sales data and monthly statements.

### Athena

Explore your catalog's distribution and upload new titles. See Athena User Guide for details.

### Single eBook Title Upload

Submit a single title using INscribe Digital's metadata form, and/or add your eBook and cover art files.

### FTP Upload

Upload your file using Serv-U, a web-based FTP client.

### INdemand

Submit print metadata, cover, and PDF files.

### INstore

Analyze your catalog's live status, reviews, rankings, and more. Additional charges apply.

### Help

Have a question about your account? Submit a Help Desk Ticket and receive a response from one of our client service representatives. Be sure to include the ISBN and the publisher name.
