Comments section for  
internal use (not visible  
to the learner)

Progress bar –

- Blue bar presents course duration.
- Orange bar shows percentage of course criteria which has evidence mapped against it.
- Green bar shows course criteria signed off.

The screenshot displays the 'New Assessor Dashboard' for 'Assessor Smith (AS)'. The top navigation bar includes 'Activity library', 'CPD', 'Dashboard', 'Employer', 'Join session', 'Learner', 'Reports', 'Resources', 'Sessions', 'Profile', and 'Support'. Below the navigation, there's a 'Welcome, Assessor Smith (AS)' message and a 'Learner's list for your role as Primary Assessor' section. This section includes a 'View As' dropdown (set to 'Primary Assessor=7'), a 'Search Learners' input field with a 'Filter' button, and a 'Grouping' dropdown. The main content area shows a list of learners with columns for profile picture, name, employer, last login date, upcoming session details, and a progress bar. The progress bar for each learner is composed of three segments: blue (duration), orange (evidence mapped), and green (signed off). A 'Comments' section is visible on the right side of the dashboard.
