

Ten Reasons Why EVO Should Be Your Processor

1/ Honest and Affordable

Competitive pricing with no hidden fees or costs, and clear easy-to-read statements

2/ One Payment Solution for:

- All major credit and debit cards
- High-speed, dial and wireless systems
- eCommerce gateways
- Electronic Benefits Card processing

3/ Fast Sales

No-waiting transaction times and fast deposits

4/ Custom Applications for Every Business, including:

- Retail
- Restaurant
- B2B
- Internet
- Mail and Telephone Order
- Lodging
- Services
- Petroleum

5/ Data Security

EVO is PCI compliant and provides \$100,000 in free card brand breach insurance. We offer multiple EMV solutions that accept the more secure chip cards.

6/ Outstanding Personal Support

EVO supports over 150 terminals, POS systems and software applications. We have multi-lingual technical support and customer service representatives located onsite.

7/ Free Business Management Tools

EVO's merchant portal, My Merchant Info, provides online access to transaction data, including statements, settlements, chargeback/retrieval information, and templates for exported reports.

8 / Fraud and Risk Management

EVO's proprietary systems analyze ALL components of your transactions to protect your business.

9 / Gift Card Programs

Attract new customers and increase sales! Gift makes it easy for any size or type business to start selling gift cards.

10 / Great Value-Added Products, including:

MOBILE PAYMENT SOLUTIONS

Process payments wherever your business takes you, quickly and securely.

EVO VIRTUAL TERMINAL

Allows you to process transactions securely from an Internet-connected PC.

AMERICAN EXPRESS OPTBLUE®

Faster American Express payments – the same as Visa, Mastercard and Discover – and one monthly statement for all card brands.

EVO is one of the most innovative and customer focused card processors in the industry today.

EVO specializes in bringing the latest electronic payment technology to businesses of all types and sizes quickly, affordably and securely.

Whether your business is retail, restaurant, Internet-based, service-oriented or mobile, EVO offers the latest point-of-sale terminals, software applications, wireless products and e-commerce gateways that provide the optimal solution and security for your business.
