

# Disabling Tabs in Learner Portfolio

## OVERVIEW

Smart Assessor provides the opportunity to disable or enable menu items within the learner's dashboard. Any disabled items will not be visible for all user roles when accessing a learner's portfolio.

## PREPARATION

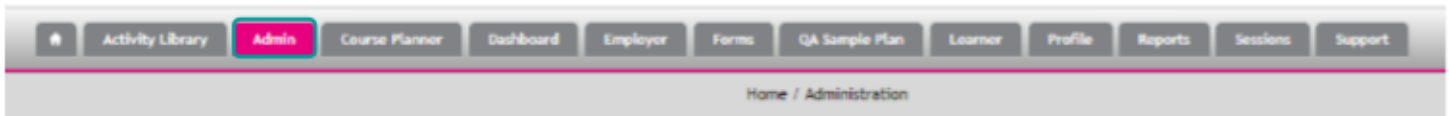

Agree a consistent display of information within a learner's portfolio.

## USER RESTRICTIONS

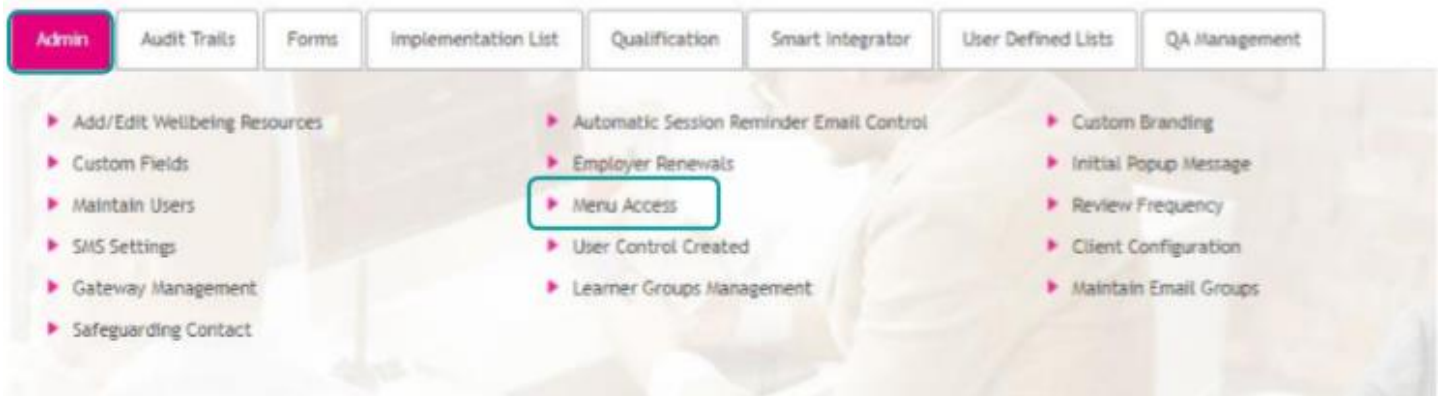

Master admin -only

## DETAILS

1. Click Admin tab.

2. Select Admin tab, select Menu Access option.

3. Select Enable or Disable, then press save.
