

CALIFORNIA MAYORS CYBER CUP SPONSORSHIP

Why Join a Team?

Future Job: California has over 36,000 open jobs in cyber security today and this number is expected to grow 3x by 2021.

Statewide support to support the growth of cyber teams and recruitment of interns and future workers. Give your local students the local opportunities!

Community Recognition: by participating in a community event, your business will become more recognized by government, college and K-12 students, and the community.

Be Part of the Solution: the shortage of workers is a problem to be solved by working together. You are invited to be part of the solution by showing up and encouraging your employees to get involved either as a mentor or a coach.

Publicity: Sponsors will receive recognition on the California Cyberhub website, sponsorship banner and shirts. Sponsorships \$2,000 or more will insure use of logo and mention in press releases.
