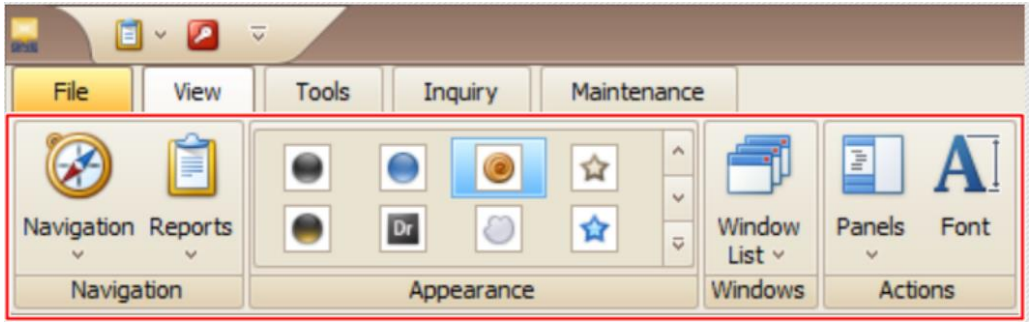
HOW TO SHOW OR HIDE THE MENU RIBBON

What is MENU RIBBON?

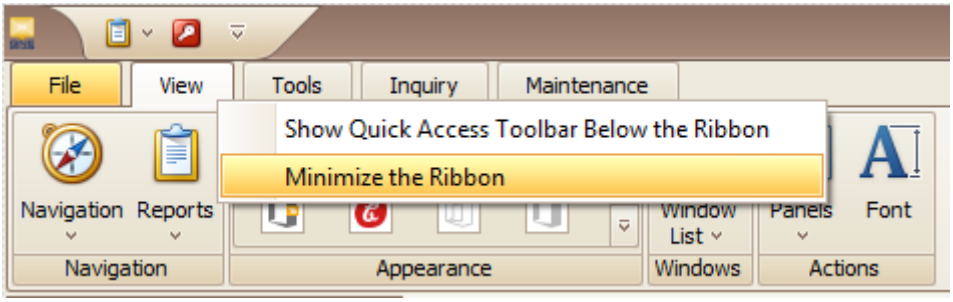
A Menu Ribbon is the command bar that is placed in the top of the window, and it's organized by programs features in the series of tabs.



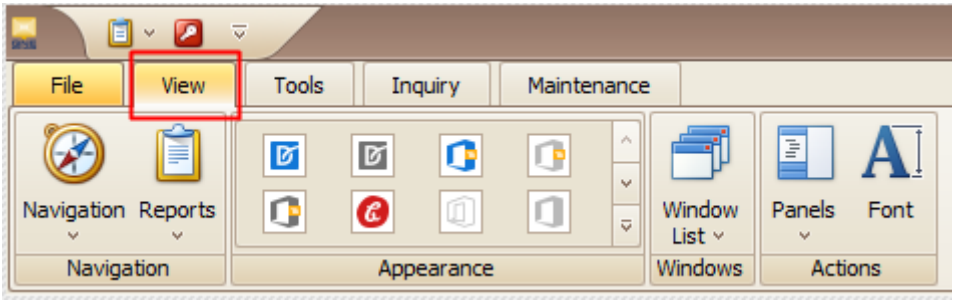
1.) How to Hide Menu Ribbon

There are two ways on Hiding the Menu Ribbon in the System:

First one is by ***right-clicking*** in the Menu Ribbon Tab > *Minimize the Ribbon*



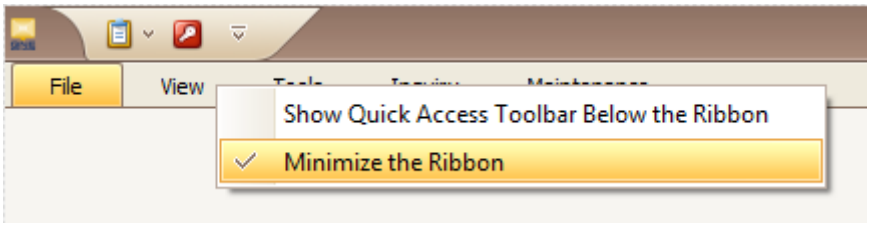
The other way is by ***double-clicking the tab***

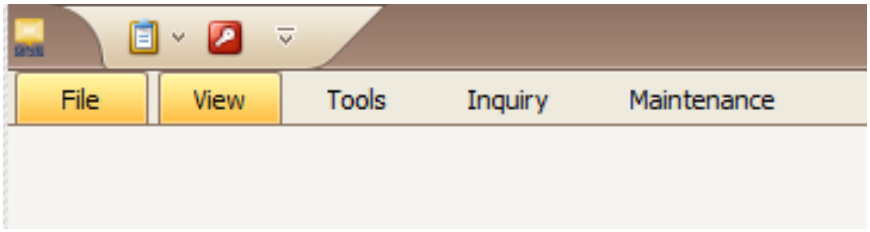


2.) How to Show Menu Ribbon

There are also two ways on Showing the Menu Ribbon in the System:

First one is by ***right-clicking*** in the Menu Ribbon Tab > *Minimize the Ribbon* for it to be unticked





The other way is by ***double-clicking the tab*** again
