

HOW TO DISABLE QNE SCHEDULER AND REMINDER LIST

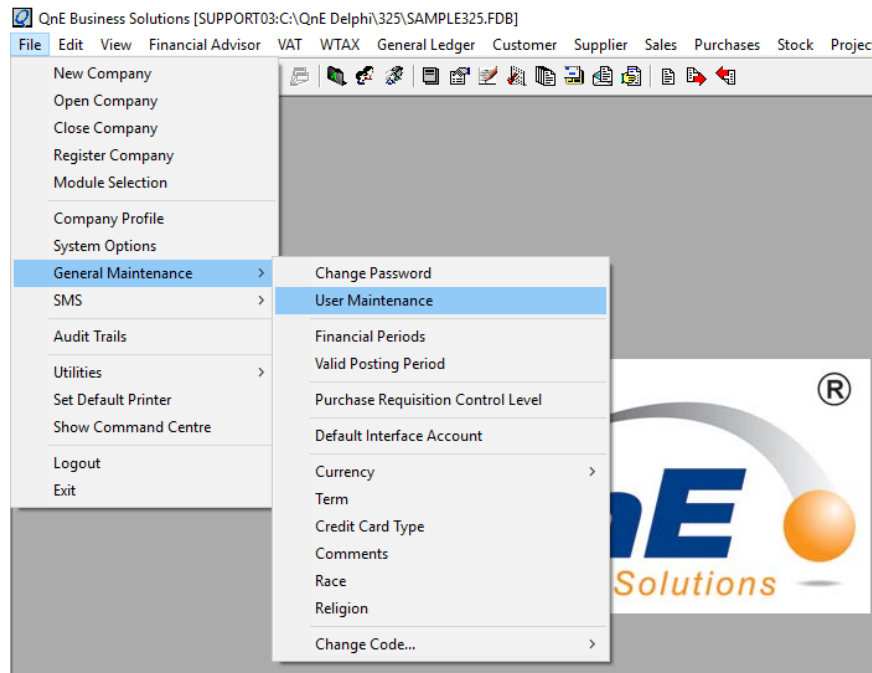

Problem Scenario:

Upon logging in in the system, QnE Scheduler and Reminder List window always pops up and sometimes, takes time in Generating Data.

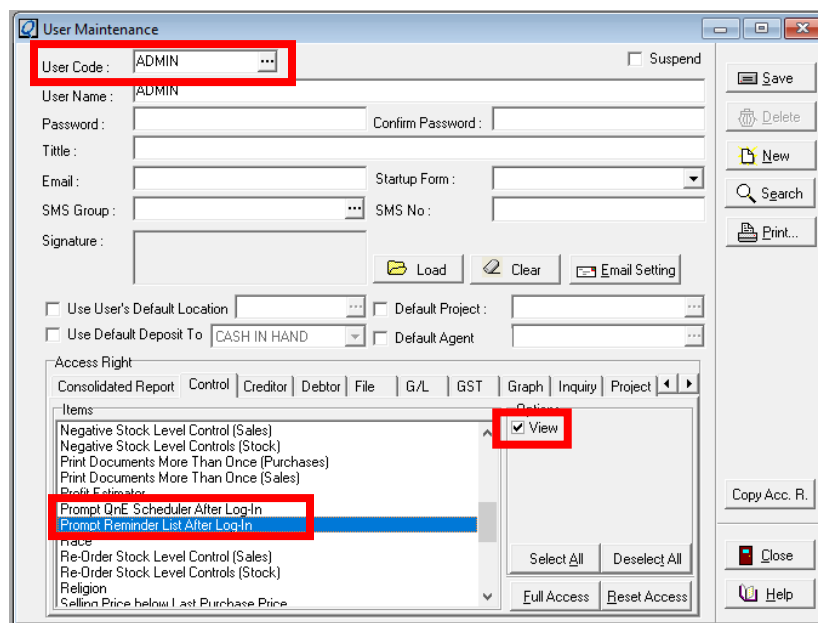

Resolution(s):

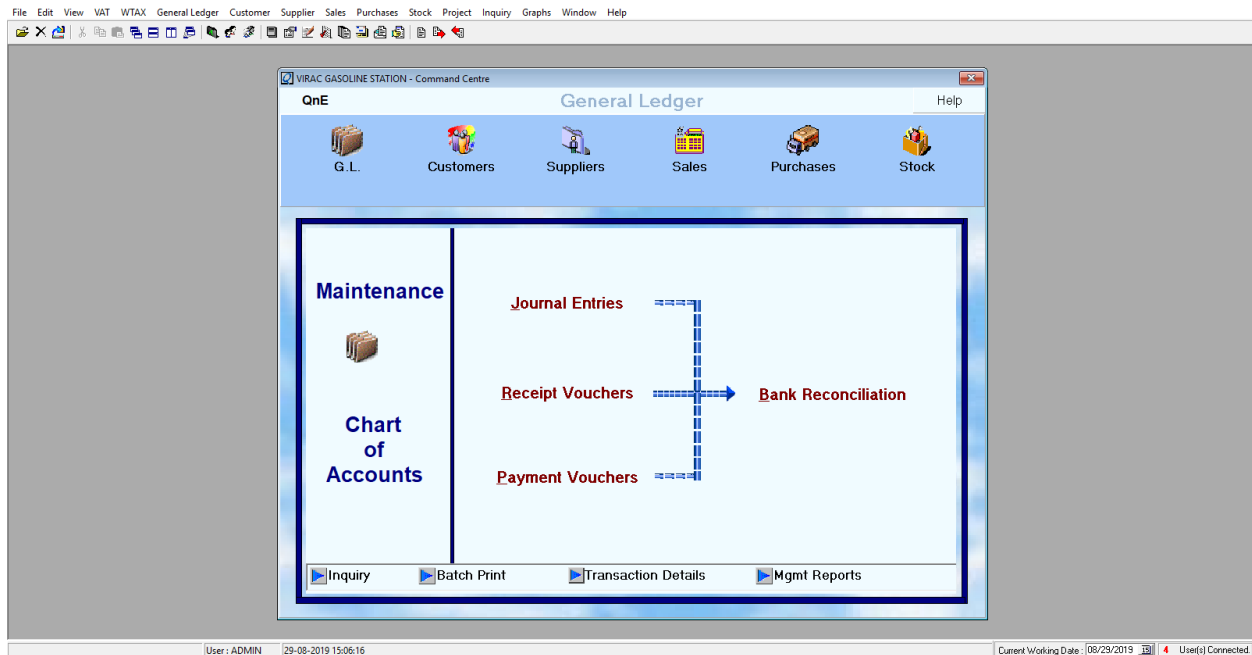

Go to File > General Maintenance > User Maintenance

Select the User Code, which user you don't want QnE Scheduler or Reminder List to show. **Untick View** checkbox then click **Save**.

To check, log out in the system then Log in again. QnE Scheduler or Reminder List will not anymore pop up.
