# HOSTESS MYSTERY REWARDS FAQs

✦ Mystery Rewards is only available to a host/hostess who has worked with their BP Party Rep to bring new BP customers to a private party (*online or live*).

✦ A private party is one that is organized specifically for a host/hostess and is open only to the guest he/she is helping to invite – and not to the general public. (*Example – closed Facebook group*)

✦ Rewards earned will be sent directly from BP corporate to the hostess.

✦ After the form is submitted and reviewed by BP corporate, only the host/hostess will receive an invoice to pay for shipping (\$7.99) and any half price product noted on the form. The invoice will go directly to the host/hostess, NOT the BP rep. The host/hostess will then have 48 hours to pay the invoice or it will expire.

Each host/hostess is allowed to receive rewards for only one party per calendar month.

✦ Purchases made by a host/hostess will count towards their rewards.

✦ At each reward level, hostess must purchase all available half-price items to qualify for free items.

✦ Purchases made by any BP Rep will NOT count towards hostess's rewards.

✦ An active BP Rep may not be a hostess.

✦ Only purchases made through the correct Mystery Rewards Party will be credited to the Host/Hostess.

✦ Parties with product sales of \$501 or more not including tax, shipping and other fees, are guaranteed, while supplies last, one 2424 midnight fire opal on sterling silver for their first free item. This is for parties held between March 1 – March 31, 2021.

✦ BP will rotate reward jewelry approximately every three months.
