- 3 Register for Classes

Contact [support@collegescheduler.com](mailto:support@collegescheduler.com) today to get started!

# Banner 9 Plan Ahead Timeline

## College Scheduler Banner 9 Plan Ahead

### ESTIMATED EFFORT

# Implementation Steps

## Preparation

*Resources: DBA, System Admin, Customer IT Personnel*

*Estimated Time: 1-2 Hour*

Customer IT team should review the Installers notes and complete the “prep” section. This includes completing the SSO questionnaire, installing Java 8 JRE, and XE Supplement. Contact [support@collegescheduler.com](mailto:support@collegescheduler.com) with any questions and to schedule the Install and Go Live webinar.

## Install Webinar

*Resources: CS SIS Expert, Customer DBA and System admin.*

*Time: 2-4 Hours*

This webinar is intended for you to work with our Senior SIS Engineer to install the College Scheduler interface to your non-production environment, test data flow, test user authentication, and test registration.

## Testing

*Resources: Registrar, Functional Stakeholders/Users*

*Time: 2-4 hours*

Once the installation webinar is complete, your team will test College Scheduler with Plan Ahead. If you run into questions, email [support@collegescheduler.com](mailto:support@collegescheduler.com)

## Go-Live

Prior to go-live, you will need to move the installed and prerequisite components to your production environment. Once complete, contact [support@collegescheduler.com](mailto:support@collegescheduler.com) to enable Plan Ahead in Production.

# Technical Information

## College Scheduler Bridge

An additional component, the College Scheduler Bridge is installed to facilitate communication between the College Scheduler hosted application and Banner 9. This component is provided by College Scheduler and is installed during the installation webinar.

## SSO Setup (Optional)

College Scheduler is compatible with SAML 2.0, CAS, and Ellucian Ethos Identity single sign-on systems.
