

I. Overview

**Please follow these simple steps to complete
Technical Certification for NPN CLOUD / VIRTUALIZATION**

II. Instructions

1. Log into the NVIDIA Partner Portal <http://www.nvidia.com/npnportal>
2. From the NVIDIA Learning Locker, select “Course Catalog”
3. Click on the Curriculum Tab and Enroll in the *Cloud/Virtualization Technical Training*
There are several courses available, but only 1 mandatory module that you will need to complete:
 - Technical Training: NVIDIA GRID vGPU on VMware vSphere and Horizon
4. Once you have completed the mandatory course, you will need to take the *Final Exam* to pass certification. Questions on the exam are derived from the mandatory as well as optional courses.
5. A certificate of completion will be emailed to you, and notification will be sent to your NVIDIA Partner Business Manager and NVIDIA Marketing Manager

III. Conclusion

**You are now qualified to take advantage of the quarterly incentive programs.
Thank you for taking the time**
