Participants must first take the brief online course titled Literacy Assessment Training - Comprehension (MAZE) to enroll in this training.

Recertification Review: One-Minute Oral Reading Fluency. This review applies to recertification of Trust Assisted Out-of-School Providers in order to administer the required oral-reading fluency outcome measure. Eligibility for enrollment includes previous attendance to the full ORF assessment training and a passing score on the ORF practical test within the last 12 months. The ORF recertification test will be given to participants who demonstrate competence in administration and scoring procedures according to the iSTEOP Oral-Reading Fluency test standards. This review will help to prepare you for the quiz and practical test required for Recertification.
