Travel Preparation Considerations

- 1. Arrival & Class Start Time.** Most offered training courses span 4.5 days (Monday – Friday). Unless otherwise specified, class typically begins on Monday morning at 9AM. If traveling from afar, we suggest you travel on Sunday and stay at a local hotel to be well rested for class on Monday morning.
- 2. Class End & Departure Time.** Unless otherwise specified, class concludes at 12:00 PM (noon) on Friday. If traveling by air, we suggest you schedule the return flight no earlier than 3:00 PM on Friday. This will give sufficient time to travel to the airport, return a rental car, and clear security.
- 3. Pack appropriately.** Bring comfortable clothing, however, ensure it is suitable for work (no sandals or open toed shoes please). Also, check the Hopkinton, MA weather forecast before deciding what to pack:

<https://weather.com/weather/tenday/l/01748:4:US>

- 4. Activities Outside of Class.** If you have interest in touring the New England area while here - please:
 - a) Research and plan your extracurricular activities ahead of time - as class time should not be used for this purpose.**
 - b) Ensure extracurricular activities do not negatively impact the training course (consider only activities that are within a reasonable drive from Hopkinton, and that will leave you well rested and on time for each next day of class).**
