## URBANISTA ONE YEAR LIMITED WARRANTY

All Urbanista earphones are designed and manufactured to meet high expectations and to provide the best customer experience.

We are devoted to producing only high quality items featuring the latest technology. However, in exceptional cases, electronic products may have malfunctions due to manufacturing defects. That is why we offer a full one (1) year warranty from the date of original retail purchase, which covers defects in materials and workmanship.

Urbanista AB hereby warrants that, under normal use, this product will be free from defects in materials and workmanship for a period of one (1) year starting with the original retail purchase date. The replacement warranty is valid only if the original proof of purchase issued to the purchaser, specifying the date of purchase, is presented with the product to be replaced.

How does it work? If you believe this product is defective, carefully repack the unit and return the product to your authorized dealer within the warranty period, with the original proof of purchase. Your authorized dealer will replace the product, provided a defect in materials or workmanship is identified. Should your authorized dealer not have the equivalent product or color in stock, Urbanista AB will promptly provide you with a new product.

This limited replacement warranty does not apply in cases of abuse or misuse of the product, use contrary to the Urbanista AB instructions, ordinary wear and tear, incorrect connection, force majeure or unauthorized repair. Any lawsuit for breach of this limited warranty shall be commenced, if at all, within one (1) year of the date that the claim accrues.

Urbanista AB shall not be liable for special, indirect, incidental or consequential damages resulting from the use or the inability to use this product, regardless of the legal theory on which the claim is based.

This warranty gives you specific legal rights, and you may have other rights, which vary from country to country. This warranty does not restrict the rights of the consumer mandated under applicable laws. This product shall not be treated as household waste. Instead it shall be handed over to the applicable collection point for the recycling of electrical and electronic equipment. This product was produced after April 1st, 2019.
